Statement of Society Board's responsibilities

The Co-operative and Community Benefit Society Act 2014 requires the Society Board to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Society and of the profit or loss of the society for that period. In preparing those financial statements, the Society Board is required to

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare financial statements on the going concern basis unless it is inappropriate to presume that the society will continue in business.

The Society Board is responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the society and to enable the Society Board to ensure that the financial statements comply with the Co-operative and Community Benefit Society Act 2014. The Society Board is also responsible for safeguarding the assets of the society and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Conduct of Society Board's responsibilities

The Society Board hereby confirms that it has discharged its responsibilities in all respects in accordance with the above statement. In particular:

- All income received and due has been properly accounted for and is disclosed as Turnover in these accounts;
- Any expenditure shown as Administrative Expenses in these accounts has been duly authorised by the Board and was incurred wholly, exclusively and necessarily in furtherance of the Society's aims and objectives;
- The assets of the Society have been maintained securely at all times;
- Capital subscriptions from Members of the Society have been properly accounted for and recorded in the Register of Members.
- Proper accounting records have been kept and the Board has continuously monitored the financial position of the Society as reported by the Treasurer throughout the financial year;
- The Society is fully capable of continuing as a going concern and these accounts have been prepared on that basis.
